Steampunk Village

The Arizona Steampunk Society are manning the Steampunk Village, which is at location L in the Hall of Heroes on the third floor at the Convention Center.

This is traditionally a central hub for steampunks to find out all about what's happening both at Phoenix Comicon and outside it throughout Arizona.

You'll be able to pick up copies of this flyer there, along with others that cover upcoming steampunk events in Arizona and steampunk cons in the southwest.

Attending Authors of Note

Author guests will not have dedicated tables in the Exhibitor Hall this year. Mysterious Galaxy will sell books at 16133-16143 and authors will sign at a set of communal tables at 16132-16142 or at other scheduled signings.

Locations

Most steampunk programming this year sits within the Costuming track and will be mostly at the Renaissance Hotel, with odds at the Phoenix Convention Center.

There's also steampunk programming in the Author and Film tracks, entirely at the Convention Center. Signings will be in the Exhibitor Hall or around panels, except for the Tea House Café of the Rising Sunset events at the Renaissance.

The Steampunk Homecoming Ball will be at the Sheraton Hotel.
